STEM Workshop Worksheet

Directions: Please ***PRINT NEATLY*** to avoid being asked to resubmit your work. Complete each question thoroughly and thoughtfully. Use the back of this sheet or another sheet of paper should you need additional space. Submit this form to Yanet Garcia to receive credit for attending. ***Remember: If this is not a (STEM)² Cypress College workshop, you must provide "proof of attendance" (photo with the speaker, etc.) in addition to this form.***

What were ***your ideas about the topic*** going into the workshop? Please ***be specific and elaborate*** as much as possible.

What ***questions*** did you have or what did you ***wonder*** about the topic before attending the workshop?

What were the ***key points/main ideas*** addressed in the workshop?

What were the ***most important things you learned*** in the workshop, and ***why*** do you think they are important?

How has attending the workshop changed or reinforced your ideas about the topics?
